### **RE: Project No: 47PM1119C0006, Request for Equitable Adjustment (REA)**

In accordance with CFR 48, Federal Acquisitions Regulation (FAR) 552.243.71 Equitable Adjustments, we are submitting a Request for Equitable Adjustment (REA) for Contract 47PM1119C0006, 1800 F Street Collocation. We are requesting a total sum of \$4,053,015.57 as an equitable adjustment to this contract.

It is our contention that pursuant to President's Executive Order on Regulatory Relief to Support ECONOMY & JOBS Issued on: May 19, 2020. Sections 3-5 summarized below provide an outline to support additional funding of the above-mentioned REA project.

Sec. 3. States that the heads of all agencies are directed to use, to the fullest extent possible and consistent with applicable law, any emergency authorities that I have previously invoked in response to the COVID-19 outbreak or that are otherwise available to them to support the economic response to the COVID-19 outbreak. The heads of all agencies are also encouraged to promote economic recovery through non-regulatory actions.

We believe that the services provided for the above-mentioned REA would support an amendment from the fixed fee concept.

Sec. 4. further allows the heads of all agencies to identify regulatory standards that may inhibit economic recovery and shall consider taking appropriate action, consistent with applicable law, including by issuing proposed rules as necessary, to temporarily or permanently rescind, modify, waive, or exempt persons or entities from those requirements, and to consider exercising appropriate temporary enforcement discretion or appropriate temporary extensions of time as provided for in enforceable agreements with respect to those requirements, for the purpose of promoting job creation and economic growth, insofar as doing so is consistent with the law and with the policy considerations identified in section 1 of this order.

We contend that these analyzed sections allows agencies to assist certain companies working on the federal schedule to amend certain standard regulatory actions and allow certain changes that would positively impact small businesses that were adversely affected by Covid. In addition section 5 further allows heads of all agencies, excluding the Department of Justice, to accelerate procedures to assist said entities.
